

# MVMC Tractor Pull - 18 - 19 January 2025

## 1. Tractor Pull Rules and Information

1. This event is run by the Milang Vintage Machinery Club under the National Historical Machinery Association's Guidelines.
2. Participating tractors must be pre-1995.
3. The Mini Sled will be used for small (garden) tractors less than 25 HP.
4. Tractor Pull entry forms are additional to entry forms for the Milang 'Yesterday's Power Rally'. Payment is to be sent with the Rally entry form.
5. Tractor Pull entry forms (in paper form) may be sent to the Secretary MVMC or sent digitally by email. If possible, please complete form on your computer so that it is easily readable. All entries to be submitted by 3 January 2025.
6. There are three different fillable forms:
  - a. **Standard.** For more than three tractors, use a second form.
  - b. **Club.** Use for a club tractor with multiple drivers. The entrant will be responsible for ensuring all drivers are aware of the Rules and are insured.
  - c. **Dual.** Use when two drivers are competing against each other on one tractor.
7. The entry fee covers the Tractor Pull and, if desired, other classes. Use the Rally Entry form for General Entries.
8. Entrants are to provide their own First Aid Kit and Fire Extinguisher.
9. Permission is required to camp on the grounds prior to and during the event.
10. All tractors are to be ready by 8:30 am both days.
11. Alcohol and/or drug consumption in the Tractor Pull compound by any person during the event is strictly prohibited. The Committee reserves the right to refer any driver or official to the Police for analysis if they appear to be under the influence of alcohol or drugs.
12. NHMA Insurance Cards will be checked at issue of tractor number on Saturday. No card, no entry.
